Ref : A13283

Come and discover this castle located at the crossroads of Anjou, Touraine and Poitou in a region called Haut-Poitou, more precisely in the Vienne, 12 km from Richelieu and about 30 km from the Loire.

This tuffeau castle flanked by two machicolated towers is situated

DESCRIPTION

The current owners of this medieval castle have contributed to creating a house for family reunions over the last 10 years, providing undeniable comfort with its efficient central heating, double glazing on old windows and its outdoor swimming pool heated by a heat pump.

We are in a region with a mild climate as it is situated about 50 km south of the Loire. We are therefore in a large melon producing region, and there are also good asparagus and strawberry producers. The local markets of Richelieu on Fridays and Loudun on Tuesdays allow you to buy from local producers.

In winter the area is also known for the production of melanosporum truffles. And of course the vineyards of Chinon and Saumur are nearby.

A small country road with little traffic allows you to reach the automatic gate giving access to the tree lined driveway leading to the entrance of the château.

GROUND FLOOR

A beautiful and bright entrance hall of approx. 20m2 with encaustic tiled floor, beautiful wallpaper and beams.

On the right, a large 42m2 living room with magnificent parquet floor, beams, bright and flowery tapestry and a spectacular fireplace. Following the lounge, in the tower, a 13 m2 study with exposed stone walls.

To the left of the entrance, the 45 m2 dining room with wooden floor, beams and flowery tapestry, has a fireplace equipped with a central wood heating system relayed if necessary by a gas heater. Following the dining room, in the tower, is another office of approximately 13 m2...
