DESCRIPTIF

In the picturesque village of Bouzigues, this carefully renovated winemaker's house of 104 m² of living space plus 123 m² of total floor area, combines the charm of the old with an ideal layout for a guesthouse business. Spread over several levels, it offers a clear separation between private areas and guest accommodation.

On the ground floor, a large winemaker's entrance leads to a beautiful versatile space, consisting of an old garage with authentic character, a laundry room with a beach shower, and an independent WC. This level also provides access to the patio, the heart of the house, and the two truly independent guest rooms. The main entrance to the house, currently set up as an office, could easily return to its original function as a reception area if desired.

The main floor is dedicated to the living space: a bright living room, a fitted kitchen, a dining room (formerly a bedroom), and a comfortable bedroom with an en-suite bathroom that includes a WC, a dressing room, and an office space. An independent WC completes this level.

On the top floor, you'll find a large master bedroom with an en-suite shower room, a dressing room and a private terrace-solarium , perfect for enjoying the sun in complete privacy.

Regarding the guest rooms: one is located on the patio side on the ground floor, and the other, accessible via a beautiful exterior stone staircase, on the upper floor. Both have their own shower rooms and WC, making them ideal for tourist activities,
