The ground floor features magnificent reception spaces including a triple through-living room opening directly onto the garden, creating a bright and welcoming environment ideal for entertaining. A spacious kitchen with dining area and extensive built-in storage completes this level.

DESCRIPTION

On the immediate border of Bordeaux, this remarkable family residence offers an exceptional lifestyle combining architectural elegance, generous volumes and an intimate landscaped garden. Fully redesigned and renovated by an architect, the property now presents 320 m² of beautifully appointed living space set within a 445 m² plot, offering a rare blend of classic Bordeaux character and contemporary comfort.

From the moment one enters the home, the impression is striking. The scale of the spaces, the remarkable ceiling heights and the natural light that flows throughout the house immediately convey a sense of refinement and serenity. Carefully preserved architectural details such as period mouldings, elegant fireplaces and the noble stone staircase echo the timeless charm of Bordeaux townhouses, while the renovation has introduced modern amenities including air conditioning and high-quality fittings throughout.

The ground floor is devoted to reception and entertaining spaces designed for both everyday living and elegant gatherings. A magnificent triple reception room stretches across the width of the house, creating a superb sequence of light-filled salons with a fluid circulation between them. Large openings allow the rooms to benefit from beautiful natural light throughout the day and provide direct views over the garden. The preserved fireplaces and decorative mouldings lend an atmosphere of classic refinement while maintaining a warm and welcoming environment.
