Built in the 1870's, this is an impressive and carefully restored house over three floors. From the grand tiled entrance to the last bedroom, care has been taken to celebrate the original architecture and detail. Currently, the ground and upper floors are configured as the main house with a further studio and a 2-bedroom apartment on the lower

DESCRIPTION

The main reception rooms are large and light, they include a billiard room, a living room and a grand dining room. The kitchen and utility rooms are fitted to a high standard. Two impressive staircases take you to the upper floors. The first floor has 4 large bedrooms, each with a generous bathroom en suite. On the second floor, there are a further 5 bedrooms and two bathrooms.

On the lower floor, the studio apartment has a kitchenette and separate bathroom. The two bedroom appartement has a living room, kitchen/dining space, and a bathroom. Both units have their separate entrances and could be used as rentals or for staff accommodation. There is also a small cinema room on this level for an extra touch of luxury (could also be used as a bedroom)

Externally, from the ornate gates and the sweeping drive with plenty of parking, you enter the walled grounds. The pool (12x6m) is heated and has the luxury of a poolside bar and terrace. There is a children's play area and well-established gardens. A further building currently housing a gym and social living space could add further guest accommodation if required.

Heating is provided from an oil-fired central system. The house has mains drainage.
