DESCRIPTION

OVERVIEW:

Vahe Pekmez and Leggett International Real Estate present an extraordinary seafront opportunity situated on Promenade des Anglais in Nice. Positioned on an elevated floor of an prestigious condominium, this property offers a frontline setting overlooking the Mediterranean Sea with sweeping 180° panoramic views across the Baie des Anges.

This rare configuration brings together two separate apartments located on the same level: a generous 140 m2 main apartment and an adjacent, independent 19 m2 studio, offering a combined living surface of 159 m2.

A standout feature is the expansive South-facing double reception room, fitted with two large floor-to-ceiling sliding glass doors that open directly onto the seafront balcony—an exceptional and rarely found feature on the Promenade des Anglais. With dual South and North exposure, the apartment enjoys consistent natural light and pleasant cross-ventilation.

Discerning buyers or investors have a blank canvas to reconfigure the layout, create a bespoke contemporary interior, and significantly enhance value. The property's generous floor plan easily offers the potential to create 1 or 2 additional bedrooms or even connecting both apartments depending on lifestyle requirements.

The property is sold as a single bundle, which includes two private closed garages and basement storage spaces.

Monthly condominium fees: €640
