DESCRIPTION

OVERVIEW:

Vahe Pekmez and Leggett International Real Estate present a charming home set in a peaceful residential setting just a short walk from the historic center of Valbonne village. The single-storey home combines Mediterranean charm with modern convenience. With a total living surface of 113 m2, the property has undergone a complete, high-quality renovation requiring no additional work. A key asset of this single-level property is its step-free design ("plain-pied"), making it easily accessible and wheelchair-friendly. The villa is oriented towards the south, guaranteeing optimal sunlight throughout the day. The expansive plot provides rare development opportunities in this sector: there is ample space to build a swimming pool, undertake an extension, or even carry out an additional construction project. Outside, gravel and stone terraces provide multiple private sitting and dining areas surrounded by Mediterranean greenery and mature trees.

Technical features include double glazing throughout, split-system air conditioning, individual electric radiators, and direct connection to the municipal mains drainage system.

Running costs remain particularly attractive, with an annual property tax (taxe foncière) of only €842. The villa can also be purchased fully furnished, presenting a seamless turnkey solution.

LAYOUT:

The property offers 113 m2 of interior living space, currently organized into a main villa (approx. 74 m2) and an adjacent self-contained 1-bedroom a...
